

The Royal Conservatory

Celebrate Theory Series

Level 9 Harmony and Counterpoint

Music excerpts for explanatory text and exercises.

YouTube links for each individual work are timestamped to start at the beginning of the excerpt.

Most videos include the score.

In a few cases, the video may not appear in the actual playlist on YouTube although the link is available below. This is because of sharing restrictions for children's material and mostly applies to nursery rhyme songs featured in the book.

If any YouTube links are no longer valid or in case of omissions/errors, please drop me a line at musictheorymontreal@gmail.com so that I can find an alternative and update the list.

If playing the videos directly from the complete playlist on YouTube, the timestamps are listed in the unit's playlist description, as the actual start times of the videos cannot be altered.
